- **Note:** The City of Bay Village currently has a Vacant Property ordinance that we are enforcing. Homes that are Vacant for any length of time are required to Register with the Building Department, obtain an interior and exterior inspection, and update that registration yearly. The cost is \$200. Registered Vacant properties cannot transfer title until a Certificate of Compliance is obtained, this can be done by correcting all the interior and exterior violations and having the property re inspected for compliance or to have the buyer place funds in escrow to ensure completion of the violations. There are exceptions for homes that are on the market, those in probate, and homes that have active building permits.
